

BCAAS Web Links

Written by AstronomElan
Sunday, 01 February 2009 16:56

Here you will find a wide variety of web-links related to the club. Some are personal websites for club members, others are great sources of astronomical knowledge.

Use the menu to the left to navigate the different categories of links. To return to the main menu, click 'home'.

Please report any broken links to the webmaster.

Some helpful links for your Astronomical experience:

Light Pollution Map:

<https://www.lightpollutionmap.info/...>

Meteor Logs:

https://www.amsmeteors.org/members/imo/report_intro

Carpenter Observatory Clear Sky Chart:

<http://www.cleardarksky.com/c/CrptrObPAkey.html?1>

Orbital Rocket Launch Schedule:

<https://spaceflightnow.com/launch-schedule/>

CN Astronomical Community:

<https://www.cloudynights.com/>

NASA:

<https://www.nasa.gov/>
